Subject: Path Forward Community Update

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

I am pleased to share we have achieved another week with no new cases of COVID-19 in residents or team members.

The start of easing restrictions has brought a positive change to residents and team members at Augsburg. The little things that we all took for granted prior to the COVID-19 pandemic are now cherished. Residents are enjoying each other's company during meals and small group activities, and of course, everyone is enjoying the reopening of our salon.

Our team has pulled together to adjust schedules, enabling us to increase visits, and we will continue to expand to offer more indoor visits and look for opportunities to enhance visitation experiences as well as the re-opening of the community in the coming weeks ahead. Indoor visits can be scheduled through this link: <https://www.signupgenius.com/go/alindoorvisits>. We also still are offering virtual visits and porch visits that can be arranged by email to [ycooper@thevillageataugsburg.org](mailto:ycooper@thevillageataugsburg.org).

Currently, we are following our weekly COVID-19 testing guidelines for team members and upon symptoms for residents. It is important to remember that if a resident or team member tests positive for COVID-19, it may impact the in-person visitation schedule. As always, we appreciate the efforts of our entire community to remain diligent on practicing proper infection control protocols.

As we move on our path forward, we do want to still be cautious. Every decision we make is meant to support the health and safety of residents. To that note, over the past week we have had many ask about bringing your loved one home for the Easter holiday. While we understand this desire, we do not feel we are at the point yet to be able to do this. With restrictions eased in Maryland, we are concerned about a post-Easter spike in cases, and we do not want any resident to be included in those numbers. We will be preparing for an Easter celebration here at the community including an Easter worship service.

We are thankful for your continued support. Please find all updates online at [www.thevillageataugsburg.org/pathforward](http://www.thevillageataugsburg.org/pathforward).
