THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

I am pleased to share we have achieved another week with no new cases of COVID-19 in residents or team members.

We continue to meet as a team to discuss reducing restrictions on visitation. As long as the community remains free from COVID-19 and the county positivity rate remains below ten percent, we will be announcing additional easements with visitation to start the week of April 16.

We are excited to share with you that our salon partner, PS Salon is offering special celebration packages. We have included a flyer in the email you received and on our Path Forward webpage [here](#). This is a terrific way to gift your loved one something special for the upcoming Mother's Day and Father's Day holidays.

**Please schedule your visits with your loved one using the link for the appropriate care level. If you are unsure if your loved one is in assisted living or skilled nursing, you may reply to this email and we will be happy to send you that information.**

**Assisted Living:**

We have added more times for visitation. We will continue to offer visits on Mondays and Tuesdays and have added new times on Thursday afternoons and Friday mornings.
