Subject: Path Forward Community Update

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

I am so excited to announce the Health Department has cleared us of outbreak status and we can begin to resume limited in-person services.

Possibly most exciting is preparing to reopen our salon. Starting out, we are going to limit services and will not be offering perms or color. We are hopeful we can offer those services after everyone has a chance to receive the basics. Included in this email is a price list for these services. We have also included a consent form, which each resident will need before receiving services.

Since the manner of salon services does not allow for social distancing between the stylist and client, rest assured everyone will be masked appropriately and the stylist will be included in community testing for COVID-19. We will also limit the number of clients in the salon at one time so residents can socially distance safely from each other.

We continue to work on our visitation policy and expect to have this available next week in time for Governor Hogan's March 1 date.

To schedule a virtual visit with a loved one, email me at [csayers@thevillageataugsburg.org](mailto:csayers@thevillageataugsburg.org)
