Subject: Path Forward Community Update

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

I am pleased to start this message with the news that we again have no cases of COVID-19 in either residents or team members this week.

As a reminder, we are offering indoor visits on Easter Sunday. We know over the past year holidays have been very different from normal. While we still cannot celebrate as normal, we would love to see residents have the opportunity to spend some time with family on Sunday. You may sign up for a visit here:

<https://www.signupgenius.com/go/snfvisits>.

I am also pleased to announce we have hired a new Healthcare Administrator. Last week we welcomed John Ottena in this role. John has been in the health care field for 20 years. He is originally from a small town outside of Pittsburgh, Pennsylvania and moved to Maryland in 2001. Before becoming a Licensed Nursing Home Administrator, John spent the beginning of his career in the recreational therapy field, serving in both hospital and long-term care settings. John says he truly enjoys doing his part in improving the quality of life of residents and the recreational therapy background makes his job more fun as an Administrator. We are thrilled to have John on board and cannot wait for residents and families to get to know him better.

We are thankful for your continued support. Please find all updates online at [www.thevillageataugsburg.org/pathforward](http://www.thevillageataugsburg.org/pathforward).
