Subject: Path Forward Community Update

THE VILLAGE AT
AUGSBURG
A National Lutheran Community

I am happy to report as we expected, assisted living is now out of outbreak status. We have resumed communal dining and group activities.

We are also cleared to resume in-person visitation. I have included links below to sign up. If you are out-of-town and need a virtual visit, please contact me directly (csayers@thevillageataugsburg.org) and we will arrange it.

For the time being, we are maintain all safety policies during visitation, including visitors being masked at all times. While the governor has eased restrictions on masks outdoors, it is important to remember as an assisted living facility, we are subject to more strict protocols. We are evaluating easing restrictions with the health department and will announce more as we know more.

To schedule a visit for **Mother's Day**, please visit:
