Subject: Path Forward Community Update

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

Since our previous update, The Village at Augsburg has continued to thrive in our commitment to move forward from the COVID-19 virus. We have not had any new cases of the virus in our team members or residents.

With this forward momentum, we feel confident that we are in position where we can further lessen visitation restrictions for assisted living and skilled nursing residents. Starting today, we will no longer require advanced sign-up before a visit. Visitation will be offered seven days a week from 10 a.m. until 7:15 p.m. At this time, we cannot allow visitors younger than 12 years old. All visitors will still be required to check in at the front desk and be symptom screened. If you are vaccinated, once you have arrived in your loved ones room, you may remove your mask. We ask all individuals who are not fully vaccinated remained masked at all times in the building.

We remain grateful for your cooperation and commitment to assisting us in keeping our community healthy and free from COVID-19. I hope you all have a wonderful Fourth of July.

All updates can be found online at <https://www.thevillageataugsburg.org/covid-19-updates/>.
