

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

Date: September 3, 2021  
To: Augsburg AL and SNF Residents and Families  
From: John Ottena, Healthcare Administrator  
Subject: Path Forward Community Update

Earlier in the week we informed families that an team member in assisted living tested positive for COVID-19. We have completed testing for the week and nobody else has tested positive.

Upon guidance from the Department of Health, we have also had to close the salon for assisted living and skilled nursing residents until we our out of outbreak status since it is located in the assisted living area.

As always, we are grateful for your support. All updates can be found online at <https://www.thevillageataugsburg.org/covid-19-updates/>.
