

THE VILLAGE AT
AUGSBURG
A National Lutheran Community

Date: November 15, 2021
To: All AL and SNF Residents and Families
From: John Ottena, Healthcare
Administrator
Subject: Path Forward Community Update

I am happy to start the week off with the news that Department of Health has cleared our recent outbreak after two weeks of negative tests. As a reminder, one case of COVID-19 in either a team member or a resident means that we are considered in outbreak.

Fortunately, visitation was only closed for the first portion of this outbreak and residents were able to continue with in-person dining and activities.

We hope to keep COVID-19 out of our community and appreciate everyone's support in doing so.

All COVID-19 updates may be found online at <https://www.thevillageataugsburg.org/covid-19-updates/>.
