Subject: Path Forward Update

THE VILLAGE AT  
**AUGSBURG**  
A National Lutheran Community

Currently, one contracted service provider in the Health Center tested positive for COVID-19 on Thursday, May 26. Through contact tracing, residents who had direct contact with the provider have tested negative and will continue to be monitored over the next several days.

In the Assisted Living neighborhood, we have resumed in-person dining and programming, as we have cleared the two-week timeline provided by the Department of Health.

For those visiting over this holiday weekend, please be sure to familiarize yourself with our most recent guidelines for visitation, which were provided in the [May 6, 2022](#) update. You can also visit the [Path Forward page on our website](#) for additional informational.
